EXPERIENCE

Senior Emergency Department Tech 04/2024 – Present
Carle Health Urbana, IL

- Provide direct patient care under RN and physician supervision, including wound care, suturing, splinting, specimen collection, and EKGs
- Assist trauma surgeons and emergency physicians in high-acuity cases at a Level 1 Trauma Center, supporting trauma activations, codes, and rapid triage
- Train and mentor new technicians, ensuring adherence to clinical procedures, emergency response protocols, and hospital standards
- Audit documentation, equipment readiness, and workflows to maintain quality, safety, and compliance across the department

Senior Health Care Tech / Cardiac Monitor Tech 03/2022 – 03/2024
Carle Health Urbana, IL

- Monitored cardiac rhythms for telemetry patients, promptly reporting variances and rhythm changes to nursing staff
- Maintained and tested telemetry equipment and alarms, ensuring accuracy and reliability of monitoring systems
- Documented telemetry readings in EMRs, generated telemetry strips, and supported audits for quality assurance
- Served as a senior technician by facilitating communication across departments, assisting with staff training, and acting as a liaison for patients, families, and medical teams

Health Care Tech 05/2021 – 03/2022
Carle Health Urbana, IL

- Delivered personal care and hygiene support, assisted with mobility, and responded promptly to patient needs under RN supervision
- Measured and documented vital signs, blood glucose levels, intake/output, daily weights, and other patient data in EMRs
- Collected and prepared lab specimens with proper labeling, ensuring timely delivery for diagnostic testing
- Maintained unit readiness by stocking supplies, cleaning equipment, organizing charts, and facilitating communication between patients, families, and medical staff

Creative Freelancer 08/2010 – Present
CREATEDBYCT Studio United States

- Delivered creative solutions across web, graphic, motion, video, and photography projects, with proficiency in Adobe Creative Suite, Final Cut Pro, and WordPress
- Designed and developed user-friendly, SEO-optimized WordPress websites and multimedia campaigns for diverse clients
- Produced HTML and CSS-designed Ads for multiple national brands on the Google platform
- Collaborated with clients and teams to manage multiple projects, ensuring high-quality results on time and within budget

REFERENCES

Jerod Togger
Business Development Director @ Church Gear

I've had the privilege of working with Christian for many years, both in a role I managed and in a freelance capacity as a graphic designer and web developer. He demonstrates an impressive combination of creativity, technical expertise, and attention to detail. Christian approaches every project with a high level of professionalism, delivering work that is both innovative and reliable. His ability to translate ideas into effective, visually compelling solutions makes him an asset to any team or organization. I highly recommend Christian to anyone seeking a dedicated and talented creative professional.

Charles Schuett
Chief Operations Officer @ Actify Creative

Christian is very talented! His mind works in ways mine never will when it comes to motion design, which is why is recommend him to any company looking for original and unique motion graphics!

Sally Whitemore
Communications Director @ Real Life

It is my great pleasure to write this letter of recommendation for Christian Taylor. I have had the pleasure of working with Christian during the past five years, and I can state with confidence that Christian is a motivated and responsible person with a high degree of integrity. Christian has been able to manage various, and at times, numerous, responsibilities with grace and ease. His attention to detail and passion for his tasks shine through in all ways. Christian takes the initiative to identify problems and recommends solutions that are effective and impactful. I would personally recommend Christian Taylor and sincerely believe that he would be a positive addition to any organization.
